EDITORIAL BOARD

Editor-In-Chief

Prof. J.B. Olaleye

Department of Surveying and Geoinformatics, University of Lagos, Lagos

Associate Editor-In-Chief

Prof. J.F. Olorunfemi

Department of Geography and Environmental Management, University of Ilorin

Managing Editor

Dr. Ayo Babalola

Department of Surveying and Geoinformatics, University of Ilorin, Ilorin

Editors

Dr. D.N. Olayinka

Dept. of Surveying and Geoinformatics Engr., University of Lagos, Lagos

Dr. O.I. Mohammed

Dept. of Surveying and Geoinformatics, University of Abuja, Abuja

Journal Manager & Corresponding Editor

O.A. Ipadeola

Department of Surveying and Geoinformatics, University of Ilorin, Ilorin

Assistant Editors

H.A. Ahmadu

Department of Surveying &
Geoinformatics.

University of Ilorin, Ilorin

A.O. Abdulyekeen

Department of Surveying &
Geoinformatics.

University of Ilorin, Ilorin

Editorial Advisers

Prof. O.T. Idowu – Federal University of Technology, Akure

Prof. A.A. Musa – Moddibo Adama University of Technology, Yola

Prof. M.N. Ono – Nnamdi Azikiwe University, Akwa

Dr Y.D. Opaluwa - Federal University of Technology, Minna

Dr J.D. Dodo – Centre for Geodesy & Geodynamics, Toro, Bauchi

Dr. A. S. Alademomi - University of Lagos, Akoka

Dr. Ogunlade Simeon - Federal University of Technology, Akure

Dr. E.G. Ayodele – University of Lagos, Akoka

Dr. N.A. Bello - University of Ilorin, Ilorin

Dr. A.B. Ola - University of Ilorin, Ilorin

Dr. Adegun A. S. - University of Ilorin, Ilorin

ASSESSMENT OF THE ACCURACIES OF MULTIBEAM CALIBRATION VALUES AND THE DEPTH BETWEEN REAL-TIME KINEMATICS AND PRECISE POINT POSITIONING

(1-18)

- BASIL Daniel Devote

EVALUATION OF GNSS LABORATORY SOFTWARE AND REAL-TIME KINEMATIC LIBRARY FOR PROCESSING GNSS DATA

(19-28)

- Bako, M., Opaluwa Y. D., Yakubu D. S., Baba M., and Ibrahim A.

VALIDATING THE REMOTE SENSING APPROACH TO THE BATHYMETRIC SURVEY OF TAGWAI DAM

(29-40)

- Baba, Mahmud, Adeleke, Abdulrahman, Zita, Nanpond ., and Opaluwa, Yusuf Drisu

SITE SUITABILITY ASSESSMENT FOR RICE CULTIVATION USING GEOSPATIAL TECHNIQUES IN PATIGI, KWARA STATE, NIGERIA

(40-57)

- Balogun A., Adewuyi T.O., Ibrahim A., Omale D., Oduyemi A. T., Oyebanji S. T., Asifat J. T., Olayiwola K. O.

ASSESSMENT OF THE IMPACTS OF CLIMATE CHANGE IN SITE SELECTION FOR SOLID WASTE DISPOSAL WITHIN IBADAN METROPOLIS

(58-83)

- Nzelibe I. U. and Ogundele T. P.

MULTI-CRITERIA GIS-BASED MACHINE LEARNING TECHNIQUES FOR WIND FARM SITE SELECTION

(84-99)

- Oluwatosin Ibukunoluwa Ilesanmi, Opeyemi Moses Ogungbenle, Aweda Temidayo Olusina, Ajiboye Oyesiji Oyeyode, Adedayo Olujobi Alagbe

SPATIAL ANALYSIS AND MAPPING OF PROPERTY CRIME IN OGBOMOSO NORTH LOCAL GOVERNMENT AREA OF OYO STATE, NIGERIA

(99-113)

- J. O. Ige, L. O. Muhammed, S. S. Folorunso, and S. S. Jacob

PERFORMANCE EVALUATION OF GNSS POSITIONING TECHNIQUES FOR SHORT BASELINES OBSERVATIONS

(113-127)

- Ayodele, E.G., Ogundele O.S., Popoola, R.A., Folorunso, S.S. and Adewale, S.O.

MONITORING AND CLASSIFICATION OF CROP FARMLAND FOR IMPROVED AGRICULTURAL YIELD USING UNMANNED AERIAL VEHICLE

(128-144)

- Ayodele, E.G., Oyebanji, S.T., Hamid-Mosaku, A.I., Ahmad Raji, A., Ephraim, E.E., Oludiji, S.

NOTE TO CONTRIBUTORS

The Journal of Geomatics and Environmental Research (JOGER) is a bi-annual journal published by the Department of Surveying and Geoinformatics, Faculty of Environmental Sciences, University of Ilorin, Ilorin, with a devotion to issues in the fields of geomatics, geospatial technology, and environmental research. Articles for submission are to be submitted through the journal website <http://unilorinjoger.com> and the email address of the journal editorjoger@gmail.com | joger@unilorin.edu.ng. The manuscript should be written using MS Word, New Times Roman font size 12, double-spaced on A4-sized paper with the following margins: Top: 1.25"; Bottom 2.3", Left 1.85"; Right 1.4". Articles should not exceed 15 pages. #2000 will be surcharged per page for any excess page above 15 pages. References within the text should be cited in APA 6th edition style, by author and year. The author could visit the journal website for more information on the JOGER author guidelines/template and submissions to the journal.

➤ Title

The title of the paper should be brief and short, written at the top of the page in all bold, capitalized, and centered. This should be followed by the name(s) of the author(s) and address (es). The email and phone number of the corresponding author must be specified.

All headings and subheadings should be well-defined, bold, and in sentence case.

➤ Abstract

The abstract should describe the background, problem statement, methods employed, major findings, and conclusions. The abstract should not exceed 250 words. At least five keywords should be provided.

➤ Introduction

This should give a concise and clear background of the subject matter of the article with the aim and objectives.

➤ Methodology

This should contain the instruments, materials, and procedures used in achieving the purpose of the work. This should be systematically and unambiguously stated.

➤ Results and Discussions

The results are expected to be presented in a precise manner, with ideas brought up from it and the findings discussed.

➤ Conclusions and Recommendations

This should contain a brief summary of the conclusions drawn from the study as a result of the findings. Recommendations from the findings should be stated.

➤ **Reference**

The referencing style should be APA 6th edition format for books and journals. The reference should contain all the authors cited in alphabetical order.

➤ **Tables**

Tables should be numbered consecutively throughout the paper referring to them in the text as Table 1, Table 2, etc., with a title at the top of each table. Avoid the use of vertical rules. The table should not duplicate the results presented in the graphs.

➤ **Illustrations**

Illustrations in the form of maps, diagrams, and charts/graphs should be sequentially numbered and given concise titles, which should be written below the illustrations.

➤ **Units, Symbols, and Abbreviations:**

Only S.I Units as defined by the international standard organization (ISO) are acceptable. Abbreviations should be written in full at the first mention

➤ **Final Submission**

The revised and corrected manuscript, copyright form, and a copy of the payment receipt of thirty thousand nairas (#35,000) for the publication fee should be returned through the journal's website <http://www.unilorinjoger.com> and email address: *editorjoger@gmail.com* / *joger@unilorin.edu.ng*. This payment only covers for the online publication of the article which is downloadable by each author. Authors interested in hardcopy shall pay the sum of #4000 per copy. Purchase by other interested readers is at the rate of five thousand naira only (#5,000) per copy. All payments should be made to the journal bank account as detailed below:

Account Name: Journal of Geomatics and Environmental Research
Account Number: 1015805521
Bank: Zenith Bank Plc.

EDITORIAL

It is a great pleasure to welcome you to the “world” of the Journal of Geomatics and Environmental Research (JOGER), a publication of the Department of Surveying and Geoinformatics, Faculty of Environmental Sciences, University of Ilorin, Nigeria. This is the seventh edition of the journal, precisely Volume 7 Number 1. In this issue, you will find research and contributions that would be of great benefit to you.

This issue presents articles in the areas of Accuracy Assessment of Surveying Instruments and Software, Bathymetric Survey, Suitability Analysis, Spatial Mapping of Crime, and the application of UAVs.

The studies captured are the Assessment Of the Accuracies of Multibeam Calibration Values And The Depth Between Real-Time Kinematics And Precise Point Positioning, Evaluation Of GNSS Laboratory Software And Real-Time Kinematic Library For Processing GNSS Data, Validating The Remote Sensing Approach To The Bathymetric Survey Of Tagwai Dam, Site Suitability Assessment For Rice Cultivation Using Geospatial Techniques In Patigi, Kwara State, Nigeria, Assessment Of The Impacts Of Climate Change In Site Selection For Solid Waste Disposal Within Ibadan Metropolis, Multi-Criteria GIS-Based Machine Learning Techniques For Wind Farm Site Selection, and Spatial Analysis And Mapping Of Property Crime In Ogbomoso North Local Government Area Of Oyo State, Nigeria, Performance Evaluation Of GNSS Positioning Techniques For Short Baselines Observations and Monitoring And Classification Of Crop Farmland For Improved Agricultural Yield Using Unmanned Aerial Vehicle.

We look forward to receiving your articles in subsequent editions of the journal. Thanks for choosing *JOGER*.

Prof. Olaleye J.B.

Editor-In-Chief
